STEP 1  REVIEW THE PLAN WITH YOUR COMMUNITY

Meet with parents and community members to review and discuss your district's plan. Together, identify the top three initiatives that your district is investing in. You can list them below:

1.
2.
3.

STEP 2  TAKE ACTION

Share your community’s feedback and concerns with your local school district’s decision makers. Remember to report back on the meeting with district leaders to community members that are not able to attend.

For each of the programs you identified in Step 1, use the questions below as a guide for what to ask district leaders during the meeting.

— How many students will this program serve?
— When do you expect to roll out this program?
— How will you measure the effectiveness of this program?

In addition, consider the below questions to evaluate your district’s plan:

— Are there any strategic investments missing from your district’s plan? If yes, inform district leaders of what essential programs are missing.
— Do you want the district to reallocate resources from another program to support this initiative? If yes, please explain.
