Name of Legislator _____

Date of meeting _____

Did the legislator commit to revising and fully funding the Foundation Aid formula, with a \$1.6 billion increase for FY25?

Did the legislator commit to raising pre-K funding to at least \$10,000 per child, addressing inequities in pay, transportation, and wraparound services, and allocating \$25 million to support these changes?

Did the legislator commit to \$1.6 billion for higher child care wages, expanded access for low-income families, and support for children with special needs?

Did the legislator commit to passing the Solutions Not Suspensions Act (A118/S134) and funding \$5 million for the relevant educator training?

Did the legislator commit to supporting fair tax policies, ensuring billionaires and highly profitable corporations pay their fair share to fund public schools and early learning programs?

Is there anything else you would like to share? Any pushback or requests for more information?
